/ EDUCATION

Web development (PHP)

IT Bootcamp, Nis, Serbia

Bachelor of English linguistics

Business Academy LC, Nis, Serbia

Rolling Stock Technician

Railway Technical High School, Belgrade, Serbia

/ EXPERIENCE

**Online English teacher | BedaKids
June 2020-present**

Conducted over 7,000 online English classes, I possess a wealth of experience in delivering high-quality instruction through digital platforms.

**English teacher | Training centers, China
May 2018 - March 2020**

Recognized for creating a supportive and inclusive learning environment that encourages student engagement and collaboration.

**Waiter / Bartender | Serbia / Montenegro
2016 - 2018**

Seasoned waiter/bartender with a proven ability to thrive in high-pressure environments, delivering exceptional service with composure and efficiency.

/ PROFILE

After graduating from college, I decided to pivot and change my career route to the IT industry. I always had a knack for aesthetics and math, which flowed perfectly into web development.
